RE: Gittens-Bridges v. City of New York et. al
Index No.: 19-cv.00272(ER)

Dear Honorable Judge Ramos:

I respectfully write as an officer of the Court to request a stay of 60 days. I tested positive for Covid-19 this afternoon and will be pursuing additional treatment. I seek this stay in light of Plaintiff's opposition to Defendants' motion for summary judgment. In my previous correspondence to the Court, I identified pre-existing respiratory issues, specifically chronic asthma. I am currently experiencing shortness of breath, difficulty speaking, debilitating headaches, loss of smell and taste. As such, I will need time to recover and to pursue treatment.

Consistent with my current health status, I respectfully ask the Court to allow me 30 days to determine if I am able to resume litigation. If I am better at that time, I will not need the full 60 days and will notify the Court.

In closing, I apologize for any inconvenience this may cause the Court and or Counsel. If the Court deems it necessary, I can send a copy to the Court via email of the positive test results for confirmation.

Respectfully submitted,

/s/

Special Hagan, Esq.
Attorney for Plaintiff
